Alexandria Gazette.

WEDNESDAY EVENING, APRIL 25.

Letter from Fauquier.

Correspondence of the Alexandria GAZETTE. MARSHALL, April 23, 1888.—The cold wind and frost as yet have not destroyed the fruit in our neighborhood. Our farmers are busy sowing oats and planting corn; each garden has its busy toller at work. Housekeepers rejoice over the abundant supplies of fresh fish and shad, which are now retailed or exchanged for country pro-duce at every store. If the ledustry of furn-ishing smoked Peroman hereing should be-carried out in Alexandria, there will be here s arge demand. As noted to spring sea S-parators and creameries round us to pay well the destruction of the pointry, (8 pretarly hens and tunneys, by choice is with the very considerable. Pasteur is needed to arrest the plague—due very much perhaps to feeding on shattered corn during the long winter months.

As a und our Episcopal brethren of Whit-tle Parish have elected vestrymen and a delegate to the Council -- Mr. J. W. Foster,

of The Piains.

The Good Templars calabrated the minth anniversary of Twilight Lodge, on Saturday night. Strange it is that more ar some church members in our midst on the side of the "wete," to whom we commend, if they should be tempted to sing, "We went go home 'till moraing!" to read Chapter VI, verse 10, 1 Carinahiane.

Our merchants have received handsome spring supplies of goods Mr. Ed. Farell has enlarged his store house. Mr. J. Eibler has opened a cheap cash store. Mr. Miller, shoemaker, and his son, a wheel wright are new comers and have the promise of success.

Our schools are quite floorishing. Bel-

mont Classical School for boys, Mr. A. S. Falcron, principal, which is located midway between Marshail and The Plains, continues to prepare the boys, most of whom ride on horseback from their distant homes, and are bright and happy youths. Baseball is the favorite pastime. Our democratic friends rejaice over the

equabble between Mahone and Wise, with the feeling of the wife, regarding the scuffle netween the bear and her husband. Blaine may have a big boom on his return from Europe, but is not statesman enough to be chosen to rule over this great republic. Republicanism, which means sectional strife, is virtually defunct, not withstanding the false assertion of Mr. Murat Halstend in the Forum that "President Cleveland was elect ed only by the suppression of the colored vote in the States of the consolidated section that makes a merit of sectionalism." The is that northern and western voters decided to try democracy because of the reckless expenditures of the public mo ney by the republican party.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each. The company is incorporated under the laws of West Virginia, and welcome visitor, acceptable alike to old and

the stock is non-assessable, and carries with it no personal liability to young, the grave and the gay. the holder. THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on

property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise. The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for. A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the

mine within the next thirty days. The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the
